

The logo for ACE Real Estate features the word "ace" in a white, lowercase, sans-serif font on an orange rectangular background. To the right of this, the words "REAL ESTATE" are written in a white, uppercase, sans-serif font on a dark grey rectangular background.

The health and safety of our customers and team is our top priority.

ACE Real Estate will continue to remain **OPEN** under the recent government guidelines. However, we have implemented strict guidelines in light of recent COVID-19,

To ensure customer and staff health remains the top priority ACE Real Estate has decided to make following changes.

- Property viewing by private appointments only(a more personal experience with less people)
- Using our off-market platform, to allow a more flexible approach to selling.
- Moving to online or phone bidding for all our auctions.
- More videos on each of our properties to allow a better home viewing experience.
- Digital signing of contracts and electronic payment of deposit.
- Digital signing of agency agreements when you instruct us to be your agent
- Virtual meetings to with property managers and sales agents

**We continue to support our community during this tough time
and hope everyone stays healthy.**
